

Job Opportunity in the Ohio Swine Industry

Windmill Swine Farm, a family partnership owned by Bill and Mike Schroeder is looking for an individual to:

- ✦ **manage and work in a new farrowing house,**
- ✦ **assist in AI breeding, and**
- ✦ **help with other tasks associated with production.**

The farm is located in Columbus Grove, Ohio, in Putnam County, about ten miles north of Lima.

Windmill Swine is in the process of expanding the sow herd to 650 head and has just completed building new farrowing and finisher facilities. Bill and Mike also own a swine production operation in Hicksville, Ohio and have business relations with other producers.
